RE: Independent School Entrance Exam (ISEE)
DATE: September 22, 2010

The ISEE Student Guide and registration form can be printed from the website at <http://www.iseetest.org>. This standardized test measures a student's general school ability by testing in the areas of reading comprehension and mathematics.

Test applications must be received by the Educational Records Bureau approximately one month before the testing date. Students in the East Bay will be taking the test at various locations, so please refer to the guide for test locations. Even though we are planning a class, scheduled for October 16th, to reinforce test-taking skills and to prepare the students for ISEE, it would be a good idea for you to review the [Student Guide](#) with your son or daughter, particularly the test question examples. I hope all of this information proves helpful to you. Should you have any questions regarding the ISEE testing program, please give me a call at school. The Seven Hills School code is **054070**

The ISEE test dates are:

Reminder: The Seven Hills Standardized Test Preparation Course is scheduled for October 14th. Be sure to return your registration and payment to the school by September 30th. Space is limited to the first 25 students.
