SCHOOL

EXTENDED DAY: IN-SERVICE DAY SIGN UP FORM

The Seven Hills School will not be in session due to a faculty in-service day. The Extended Day Program will be available **WITH A PREPAID RESERVATION** from 7:30am to 6:00pm on these days. Extended Day needs a minimum of 8 children to be open.

Because Extended Day is open when school is not in session, it is **not** part of the prepaid school year Extended Day service. However, a special rate has been established for our regular plan users. Prepaid spaces for children who do not regularly attend the Extended Day Program are also available, but must be reserved and paid for in advance.
